

OUTDOOR CONCRETE STYLES

RANCH/RUSTIC PALETTE

Concrete in rich earth-tone colors and rough stonelike textures contributes to the rustic charm of ranch, farmhouse and country home styles. Using stains and dyes, it’s also possible to “antique” existing concrete and give it an aged, weathered look.

COLORS + FINISHES

SHAPES & PATTERNS

You can achieve a ranch or rustic style using concrete by incorporating irregular stone-like patterns or large organic spaces for hardscape surfaces.

A series of four images showing different concrete patterns. The first is a 2x2 grid of squares. The second is a 2x2 grid of squares with internal lines. The third is a larger grid of squares with internal lines. The fourth is a pattern of irregular, organic shapes.
